MATERIAL & BUILD HIGHLIGHTS

BUILT FOR MDRD

1 CERTIFIED STEEL

EN 10204:2005 declaration of conformity and a 3.1 inspection certificate, based on tests of samples from the same batch.

2 STANDARDS-BASED FINISHING

Materials cut, bent, welded and satin-finished to UNI EN ISO 14732 and EN 9606-1 / EN 9606-2.

3 HYGIENIC DESIGN

Joint-free construction supports hygiene, operational safety and ergonomics for medical environments.
